

# FREE MASONRY WEBINAR

Presented by an Industry Expert & Sponsored by PCMA

## MASONRY DETAILING TIPS

**THURSDAY - NOVEMBER 12, 2020**

**TIME:** 11:00AM - NOON (Eastern Time)

**LENGTH:** One Hour

### WHO SHOULD ATTEND:

Engineers, Architects, Building Code Officials, General Contractors, Masons, Masonry Instructors, Members

**CREDITS:** 1 AIA/CES LU HSW for Architects, 1.0 Learning Unit for Engineers, 0.1 ICC CEU & 1.0 MCAA credit for mason contractors. (Approved Provider PA Department of Labor & Industry for Building Code Officials.)

*Certificates will be supplied via email after completion of the course.*

**COST: FREE**

### PROGRAM DESCRIPTION

Effective design of masonry often is dependent of proper detailing. This presentation will discuss some of the critical issues related to detailing of exterior masonry wall systems including lintels, bond beams, shelf angles, continuous insulation, and new assembly strength allowances. Design for differential movement of dissimilar materials and the wall system detailing practices will be presented.

**PRESENTER – W. Mark McGinley, PE, Ph.D, FASTM, FTMS ~**  
*Professor and Endowed Chair for Infrastructure, Research, Civil and Environmental Engineering, J.R. Speed School of Engineering – University of Louisville.*
